Dear Mr Gilani

Thank you for your correspondence dated 9 February 2018 about aspects of the Commonwealth Road Vehicle Standards Bill 2018, particularly relating to disability standards for vehicles modified for wheelchair users.

I acknowledge that as an engineer operating within the disability industry and a registered National Disability Insurance Scheme (NDIS) service provider you are well placed to comment on the implications of the proposed legislation.

I appreciate the importance of the matters you have raised.

Consequently, I have arranged for your correspondence to be forwarded to the Hon Melinda Pavey MP, the NSW Minister for Roads, Maritime and Freight, for her attention and appropriate action, as matters relating to Roads & Maritime Services (RMS) fall within her portfolio responsibility.

As matters regarding the NDIS fall within the portfolio responsibility of the Hon Jane Prentice MP, Assistant Minister for Social Services and Disability Services, I have also arranged for your correspondence to be forwarded to Minister Prentice for her attention and appropriate action.

Meanwhile, thank you again for writing to me and passing on your concerns. I trust this information is of assistance, and I wish you the very best for the future.

Yours sincerely

02 MAR 2018

Ray Williams MP
